Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Thursday 09 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers tomorrow, heavier and most frequent during morning in west.

This Evening and Tonight:
Cloud and rain clear east this evening with clear spells and blustery showers following. Drier in the east where a touch of frost and ice is possible in sheltered eastern parts. Minimum temperature 0 deg C (32 deg F).

Friday:
Blustery, occasionally heavy and perhaps thundery, showers during the morning, focused in the west. Gradually showers waning through the afternoon as the westerly winds ease. Maximum temperature 7 deg C (45 deg F).

Outlook for Saturday to Monday:
Morning rain then showers on Saturday with coastal gales possible. Further showers Sunday then rain later clearing to showers again on Monday. Potentially very windy early Monday.
